FEEDBACK REPORT ON CURRICULAM FROM STUDENTS

2022-2023

METHODOLOGY:

The feedback collection was conducted through direct questionnaire method and send via google form. Suggestions on areas to be focussed and revised are considered seriously by the institution and necessary actions are taken. This timely analysis helps in making the curriculum updated and relevant to the needs of the students, especially in the job market. The data analysis team of IQAC conducted the detailed analysis on the survey responses.

NUMBER OF RESPONDENTS: 334

SUGGESTIONS FROM STUDENTS

- Syllabus can be updated more frequently.
- More opportunities and options in the syllabus that helps for higher studies
- Improve provisions for research with complementary subjects
- Internships and field visits to be conducted
- Career achievement class needed
- Should provide more industrial exposure.
- Syllabus should incorporate more industrial visits at least one visit a year.
- Syllabus should impart thread for rational thinking and increasing scientific temper among students
- Technical and practical knowledge needs to be enhanced.
